

DARTMOUTH MANYMENTORS

Summer 2019

Contact: Orgsync- ManyMentors

Hi Dartmouth Mentors!

Happy summer! This is an incredibly exciting time for our chapter. Here's what we've been up to:

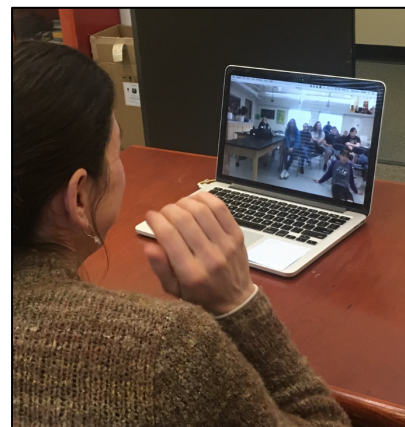

Last term, we held six Skype sessions with students at Mascoma High School in Canaan, NH. Our Dartmouth faculty and mentors engaged mentees in conversations ranging from the possibility of life on Mars to fossilization and human evolution.

These discussions were outstandingly successful; Dr. Mackenzie informed us that her students continued talking about the topics well after the Skype calls ended and that they have since been more engaged with asking questions during regular lessons. This group of students is highly underserved, and some hadn't taken a STEM class until seventh grade. The results speak volumes to the power of our mentoring work and the innate curiosity people have for STEM. We cannot thank enough our incredible mentors and professors who took the time to share their passion for science.

While Mascoma is out for the summer, we'll continue to plan with Laura for in-person visits next Fall. See the news and events below for opportunities this summer and stay tuned for in-person mentoring with Mascoma come Fall 19.

Happy Mentoring!

-Dartmouth ManyMentors Team

Dr. Palucis and Mascoma students discuss planet exploration + life on Mars.

X19 NEWS AND EVENTS

NHAS Summer Engagement Program

This summer we'll be partnering with Dartmouth graduate Kelly Salmon and the New Hampshire Academy of Sciences to mentor Upper Valley students as they design, conduct, and present their experiments.

- When: **July 17th to August 7th**
- Where: Kelly's outreach lab (approx. 20 min from campus)
- How: **sign up on our Excel doc to carpool with us!**

There is no minimum commitment time or number of visits required! We hope to see you there!

COSO Recognition

We're happy to announce that COSO voted last term to provide recognition for service groups. New recognition will provide:

- Additional funding opportunities
- Access to listserv and activity fairs

MANYMENTORS AT DARTMOUTH- ENCOURAGING AND INSPIRING THE NEXT GENERATION OF STEM PROFESSIONALS THROUGH PEER

OUR MISSION-

- ManyMentors is a nonprofit founded in 2011 to match underrepresented middle and high school students with STEM mentors to "make opportunities in STEM become more visible, valuable & viable."
- **We use a mobile app and online platform to connect mentors and mentees weekly on a term by term commitment timeframe and visit partner schools to share our passion for STEM.**

We are looking for dedicated individuals with a passion for STEM and education to join our chapter.

- **Undergraduates, graduate students, professors, and medical and engineering students are all welcome!**
- **Expected time commitment starts at only 15 minutes/week.**
- **Interested in learning more? Contact Keighley Rockcliffe (keighley.e.rockcliffe.gr@dartmouth.edu) for our Mentor Signup Checklist and Quick Start Guide.**

2018-2019 Officer Team

President: Avery Tishue
Vice President: Hannah Margolis
Secretary: Armin Tavakkoli
Mentor Enrollment Director (GR): Keighley Rockcliffe
Mentor Enrollment Director (UG): Ariel Lee
Mentee Enrollment Director: Rebecca Valls
Treasurer: Edward Buckser
Faculty Director: William Leavitt
